

Direct and Beyond:

Effective Direct Examination of Parents in Care & Protection Cases

While cross-examination may be more dramatic, the bulk of a parent’s own fact picture must usually be presented by the parent’s own testimony. “72 Hour” Hearings are not won by deprecating the Department’s caseworker or investigator. Temporary Custody hearings are won on direct examination and providing to the Court an impressively clear and persuasive picture of the parent’s version of events.

Wednesday June 17th 4:00 PM to 6:00PM
Beverly Public Library, Beverly Mass.
