3:00-5:00

Thomas Crane Public Library

40 Washington Street

Ground Floor Meeting Room

Quincy, MA

We will be looking at the published decisions of the Appeals Court and the Supreme Judicial Court from December 1, 2014- May 31, 2015 as well as considering the Rule 1:28 decisions.

We will be presenting cases to increase our familiarity, but more importantly to discuss together discernible trends in the law as well as to mine these cases for what might be innovative or helpful arguments, motions or practices.

This case law review has been approved for one (2) CLE credits.
