

The Family Resource Centers (FRCs) of Massachusetts provide community-based, multi-cultural programs, including: evidence based parenting classes, youth and parent support groups, grandparent support groups, information and referral services, early childhood services, assessment services, and education programs for families whose children range in age from birth to 18. FRCs offer specific services for families with children who may be frequently absent from school, have serious problems at school or at home, have run away or are living on the streets, or are being exploited. Through the work of the FRCs, families can focus on strengthening their bonds, connecting to others, and engaging in their communities.
