

Plymouth County Sheriff's Department
Attorney / Client Teleconference Procedures
SJC Order 12926

Attorneys wishing to schedule a teleconference with their clients should send their request by email to: dpinto@pcsdma.org

- The email must contain the name of the client, the attorney's telephone number, and a preferred range of times for the teleconference.
- Please make every effort to send your email requests prior to 3pm, so that the Department can set up the call in the preferred range of times.
- Email requests should originate from a law office email address.
- Attorneys wishing to add their cellphone numbers to the attorney / client privileged call list should forward such requests to the email address listed above. Such requests are subject to Department verification.
- Issues involving scheduling conflicts or special requests will be handled on an individual case basis.
- Attorney-client calls are privileged and are not monitored or recorded.
