

Pathways Training for Attorneys

Date: December 16, 2020

Time: 11am to 1pm

Format: Zoom, link to be provided

**Presented by Associate Justice Carol Shaw of the Hampden County
Juvenile Court and Pathways Project Manager Shana Cashman**

Learn about **Pathways**, the Massachusetts Juvenile Courts' differentiated case management initiative developed to improve time to permanency for children by ensuring fair, just, and prompt resolution based on individualized assessment of each case, each child, and each family.

Now more than ever, we must work effectively to resolve cases alleging abuse and neglect and to improve outcomes for Massachusetts' most vulnerable children. Learn about how to enhance your practice when it comes to preparing and presenting cases, case management, and addressing permanency, and earn 2 CLE credits from this training.
