Employee's Withholding Certificate

OMB No. 1545-0074

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.**Give Form W-4 to your employer.****Your withholding is subject to review by the IRS.****2025****Step 1:**
Enter
Personal
Information

(a) First name and middle initial	Last name	(b) Social security number
Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
City or town, state, and ZIP code		
(c) <input type="checkbox"/> Single or Married filing separately		
<input type="checkbox"/> Married filing jointly or Qualifying surviving spouse		
<input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if: you are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2:
Multiple Jobs
or Spouse
Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate ☐

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly): Multiply the number of qualifying children under age 17 by \$2,000 \$ _____ Multiply the number of other dependents by \$500 \$ _____ Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here	3	\$
Step 4 (optional): Other Adjustments	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a)	\$
	(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here	4(b)	\$
	(c) Extra withholding. Enter any additional tax you want withheld each pay period . .	4(c)	\$

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 **and** you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 **1** \$ _____
- 2 Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.

City..... State..... Zip

Employee:

File this form with your employer. Otherwise, Massachusetts Income Taxes will be withheld from your wages without exemptions.

Employer:

Keep this certificate with your records. If the employee is believed to have claimed excessive exemptions, the Massachusetts Department of Revenue should be so advised.

HOW TO CLAIM YOUR WITHHOLDING EXEMPTIONS

1. Your personal exemption. Write the figure "1." If you are age 65 or over or will be before next year, write "2"
 2. If married and if exemption for spouse is allowed, write the figure "4." If your spouse is age 65 or over or will be before next year and if otherwise qualified, write "5." See Instruction C.
 3. Write the number of your qualified dependents. See Instruction D.
 4. Add the number of exemptions which you have claimed above and write the total.

- A. ☐ Check if you will file as head of household on your tax return.

Date. Signed

THIS FORM MAY BE REPRODUCED

THE COMMONWEALTH OF MASSACHUSETTS, DEPARTMENT OF REVENUE

A. Number. The more exemptions you claim on this certificate, the less tax withheld from your employer. If you claim more exemptions than you are entitled to, civil and criminal penalties may be imposed. However, you may claim a smaller number of exemptions without penalty. If you do not file a certificate, your employer must withhold on the basis of no exemptions.

If you expect to owe more income tax than will be withheld, you may either claim a smaller number of exemptions or enter into an agreement with your employer to have additional amounts withheld.

You should claim the total number of exemptions to which you are entitled to prevent excessive overwithholding, unless you have a significant amount of other income. Underwithholding may result in owing additional taxes to the Commonwealth at the end of the year.

If you work for more than one employer at the same time, you must not claim any exemptions with employers other than your principal employer.

If you are married and if your spouse is subject to withholding, each may claim a personal exemption.

B. Changes. You may file a new certificate at any time if the number of exemptions increases. You must file a new certificate within 10 days if the number of exemptions previously claimed by you decreases. For example, if during the year your dependent son's income indicates that you will not

provide over half of his support for the year, you must file a new certificate.

C. Spouse. If your spouse is not working or if she or he is working but not claiming the personal exemption or the age 65 or over exemption, generally you may claim those exemptions in line 2. However, if you are planning to file separate annual tax returns, you should not claim withholdingg exemptions for your spouse or for any dependents that will not be claimed on your annual tax return.

If claiming a spouse, write "4" in line 2. Entering "4" makes a withholding system adjustment for the \$4,400 exemption for a spouse.

D. Dependent(s). You may claim an exemption in line 3 for each individual who qualifies as a dependent under the Federal Income Tax Law. In addition, if one or more of your dependents will be under age 12 at year end, add "1" to your dependents total for line 3.

You are not allowed to claim "federal withholding deductions and adjustments" under the Massachusetts withholding system.

If you have income not subject to withholding, you are urged to have additional amounts withheld to cover your tax liability on such income. See line 5.

Information about Social Security Form **SSA-1945** Statement Concerning Your Employment in a Job Not Covered by Social Security

The Social Security Protection Act of 2004, Pub. L. No. 108-203, Section 419 requires State and local government employers to provide a statement to employees hired January 1, 2005, or later in a job not covered under Social Security. Form SSA-1945, **Statement Concerning Your Employment in a Job Not Covered by Social Security**, is the document that employers must use to meet the requirements of the law.

While the earlier version of the SSA-1945 discussed the effect of the Windfall Elimination Provision and/or Government Pension Offset on an employee's potential future benefits, the Social Security Fairness Act (SSFA) of 2023 enacted on January 5, 2025, eliminated the reduction of Social Security benefits under the Windfall Elimination Provision and/or Government Pension Offset for individuals entitled to certain pensions from work not covered by Social Security, starting January 2024. However, this did not remove the requirement for State and local government employers to provide a statement to employees hired January 1, 2005, or later in jobs not covered under Social Security. This version of SSA-1945 explains to an employee that non-covered earnings will not be used to determine eligibility to or calculate the amount of potential future benefits.

Employers must:

- Get the employee's signature on the form
- Give the signed statement and information page to the employee prior to the start of employment
- Submit a copy of the signed form to the pension paying agency.

Social Security will not be setting any additional guidelines for the use of this form.

A fillable, downloadable version of the SSA-1945 is available online at the Social Security website, www.ssa.gov/online/ssa-1945.pdf.
