

CPCS Immigration Impact Unit Presents

IIU Office Hours

First Session: April 9 at 4pm

Join the Immigration Impact Unit for the first of our new ongoing office hours sessions. These quarterly meetings will provide a space for CPCS and bar advocate attorneys to discuss immigration issues and ask questions. Each session will have a topic but focus primarily on answering questions and discussion.

Approved CLE Credits:

CAFL: 1

YAD Trials: 1

YAD Appeals: 1

Criminal Trials: 1

Criminal Appeals: 1

Topics for first meeting will include:

- What to do when ICE arrests a client with an open case
- Motions to Compel Defendant's Presence
- Seeking dismissal of a criminal case when a client cannot be returned from ICE custody or has been deported

If you have filed a recent motion to compel or sought dismissal of a case after a client was arrested, this is an opportunity to share your experience.

Any immigration-related questions may be submitted in advance to mhwang@publiccounsel.net. Questions may also be asked live during the meeting. Please keep in mind that this meeting will focus on general discussion and is not a substitute for completing an IIU intake form for a specific case.
